

Highpoint Resources Recognized as One of the 50 Most Community-Minded Companies in Colorado

DENVER – November 23, 2020 – HighPoint Resources (“HPR”) has been named an honoree of The Civic 50 Colorado by CSR Solutions of Colorado and Points of Light, the world’s largest organization dedicated to volunteer service. The award recognizes HPR as one of the 50 most community-minded companies in Colorado determined by an independently administered and scored survey. The Civic 50 Colorado initiative, modeled after Points of Light’s national program, provides a standard for superior corporate citizenship and show cases how companies can use their time, skills and resources to drive social impact in their company and communities.

The Civic 50 Colorado honorees were officially recognized at the Virtual Honoree Announcement on Friday, November 20, 2020 at 11AM.

“HighPoint Resources was proud to continue our community involvement during a year that has been particularly challenging for many of the individuals and organizations that we were able to support,” said Doug Dennison, Director of Community Affairs, “and receiving The Civic 50 Colorado recognition again this year validates that our efforts are making a difference.”

The Civic 50 Colorado survey is administered by True Impact, a company specializing in helping organizations maximize and measure their social and business value and consists of quantitative and multiple-choice questions that inform scoring process.
